French Blending

Elevating Gray Coverage

Look & Learn

Elevate your salon services and profitability by moving beyond traditional gray coverage and embracing the art of gray blending. This class is designed to transform your color services by focusing on seamless, low-maintenance gray blending techniques that create beautiful, natural-looking results.

Learn how to utilize the L'Oréal Professionnel color portfolio to blend, rather than simply cover, new gray growth—delivering a sophisticated, high-impact look your clients will love.

Key Takeaways

- Experience French Gray Blending with INOA® for seamless, low-maintenance gray blending.
- Increase client satisfaction with beautiful, low-maintenance color results.
- Learn how to apply this technique on pixie cuts and other short hairstyles.
