Creative Formulas: Mermaids

Elevate your French balayage skills by incorporating the trendy peek-a-boo technique with a touch of mermaid-inspired color. This course demonstrates how to blend seamless balayage with contrasting peek-a-boo highlights for a multi-dimensional look with Blond Studio. Once you've perfected the creative lightening technique, dive into the world of creative formulations using Dia Light to create tones inspired by the underwater world.

[Student Profile]

Designed for professionals looking to elevate their existing knowledge of L'Oréal Professionnel and upskill themselves through advanced techniques, theory, and business opportunities.

[3 Key Takeaways]

- 01.** Master how to add the peek-a-boo technique to your French Balayage.
- 02.** Learn to formulate sea-inspired, customized shades.
- 03.** Deepen your understanding of Dia Light and Blond Studio, exploring their capabilities and how to use them effectively for achieving peek-a-boo balayage.
